JUDGMENT

It is submitted by both sides that serious negotiations are going on for a settlement between the parties. In view of the above submission, even as I dismiss the writ petition without granting the relief sought for, I direct that the execution court will issue any coercive process against the petitioners for a period of two more months from the date a copy of this judgment is placed before him. The learned judge will also explore the possibility of a rapprochement between the parties.

PIUS C. KURIAKOSE, JUDGE
